Network Account Contract 2009-2010

Student's Last Name

Student's First Name

Advisor

Please return this page with your signature and your parent's/guardian's signature, stating that you understand the exceptions of using the Eleanor Roosevelt High School network.

I understand that my school network account is to be used only by me for my school work. I will not share my account information with any other student. I will follow all procedures and school policies when I use this account space.

I understand that my new username is the first letter of my first name, the first three letters of my last name, and the last four digits of my student I.D. number. My password is my whole student I.D. number and may not be changed. It is my responsibility to back up my work at the end of every school year. Assistance is available at school for this.

If I feel there is a problem with my account, it is my responsibility to fill out a help-desk ticket, which is located on the front counter in the main office. I will be notified of any required action on my problem by a note that will be delivered to me in my advisory.

I understand that my school email account is the first letter of my first name, my last name, and my graduation year. I understand that all of the above standards for appropriate use also apply to my erhsnyc.net email account and Start Page.
