Dear Parents,

Over the course of the year in various classes and after clubs, teachers will use films, documentaries and video clips to enrich your child's educational experience and knowledge. For example, in History classes students view films such as *The Patriot*, *Amistad*, and documentaries such as *Founding Brothers* to further their understanding of the Antebellum period in the United States. In Spanish classes, *El Note*, *Hombres Aramados*, and *Pan's Labyrinth* are viewed to better student's understanding of language, history and culture. It is our goal to view films with an educational purpose and open up a film related discussion.

Some of these films have an R rating. The form below is a **general consent to allow your child to participate in all R rated films**. Please complete the form below and have your child return it to their advisor by September 14, 2009.

I, \_\_\_\_\_, give my child, \_\_\_\_\_, permission to
